

AGEM & AGA *22nd Annual Golf Classic*

TUESDAY, SEPTEMBER 28, 2021

Hello!

Everyone is excited about the upcoming AGEM & AGA 22nd Annual Golf Classic presented by JCM Global! Many players have asked about the health and safety measures planned for the event, so here is a quick overview of what you can expect at the Annual Golf Classic to help ensure it is both a fun and safe event.

Masks

Per the Nevada Governor's executive order, all guests and staff are required to properly wear a cloth or medical mask while indoors at Cascata at all times, except when actively eating or drinking. Masks are not required on the course or in carts but are encouraged for your safety.

PPE

Cascata will ensure PPE supplies are readily available for players and staff, including masks, hand sanitizer, and disinfectant. Frequent hand washing and hand disinfection is encouraged.

Play or Stay

For everyone's health and safety, please stay home and do not attend the tournament if you:

- Feel sick and/or demonstrate any signs of respiratory illness (fever, chills, cough, headache, body ache, etc.)
- Have been in close contact with someone who has tested positive for COVID-19 in the last ten days. Close contact is defined as being within six feet or less for a total of 15 minutes or more within a 24-hour period
- Have been outside the U.S. in the last 14 days

Your efforts to ensure everyone's safety can make a difference, and by working together, everyone can look forward to a fun and healthy day of golf and fundraising!

Thank you for supporting the International Center for Responsible Gaming's (ICRG) important research.
